

## Detailed photo story about how to get the Knyazhy Ostrov Residence

The road to Seliger is quite simple, except for a few cunning turns and road junctions in Torzhok and Ostashkov. If you miss them, you can easily get lost. The represented below photo collection with comments will greatly facilitate your journey. Your way starts from the town of Torzhok. You will not miss the entrance to Torzhok. The distance from Moscow to Torzhok is about 210 km, the distance from Tver is about 60 km. The quality of the road surface is good. On the way from Torzhok to Ostashkov you will meet 6-7 gasoline stations. Actually quality of fuel leaves much to be desired, so we advise you to use gasoline stations on the route Moscow - St. Petersburg.

1. The route Moscow - St. Petersburg. Sign of turning to Torzhok.

2. After 400 meters we see a turn to Torzhok. We need to turn left.

3. We turned left, then we see a signpost Ostashkov, Staritsa.

4. Here is Torzhok. We have just entered the town.

5. We are going straight and then we see the bridge. Be careful, sometimes concrete fences are put here to restrict the entry of trucks.

6. We descended from the bridge and then we are going straight and see a roundabout in front of us. We need to turn **right**.

7. We turned right. Attention! On the right side we see a directing sign to Ostashkov and Staritsa. We need to turn **left**.

8. The turn to the left is here. We are on the main road.

9. We turned left, then we are going straight. Be careful of speed humps.

10. We are going down from the mountain and see the bridge over the Tvertsa river in front of us again. You will see churches on the left side and mansions on the right side.

11. We descended from the bridge. There will be roundabout ahead.

12. Here is the roundabout. We are turning **left**.

13. We are turning left at this roundabout.

14. We turned left, then we are going up the hill and turning **right**.

15. After turning we see guns on the right side and school on the left side. Then we are going straight.

16. After a kilometer we see the car service center on the right side. The gate is bright, blue and yellow - you definitely will not miss it.

17. Right after the car service center we see the gasoline station on the left side.

18. We passed by the gasoline station and here is the signpost. Distance to Kuvshinov is 48 km, distance to Ostashkov is 120 km.

19. We left Torzhok, then we go only straight.

20. We are passing by the sign to Selikhovo 7

21. The sign to Makarino.

22. Here is Rashkino village. On the left side you will see the church.

23. We are passing by Nagonovo village, then we see the sign to Slapikhino and Medvedkovo.

24. Long descent, then going up the hill.

25. When going down, we see a sign to Pryamukhino and Bakunin's mansion on the left side.

26. There are guardrails at the end of the descent.

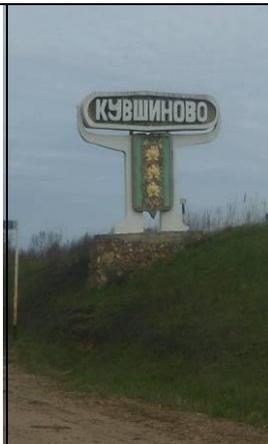

27. The sign to Prechisto kamenka village.

28. Then there is the sign to Sukhoy ruchey.

29. The sign to Telyakovo.

30. We are entering Kuvshinovo village. Be careful as Road Patrol Service is often here.

31. There is a gasoline station on the right side in Kuvshinovo village.

32. We are passing by Kuvshinovo. Long descent is in front of us, then going up the hill.

33. There is the bridge across the Negroch river at the end of the descent. **Be careful**, uneven road.

34. 68 km to Ostashkov.

35. We are passing by Mogilevka village

36. The sign to Krasny Gorodok.

37. The sign to Lukino

38. Hooray! We entered Ostashkovsky District

39. Not far away from Ostashkov we see the sign to Ostashkov, to Rzhev and Selizharovo. We need to go straight, of course. Then we see a number of billboards.

40. We are passing by Otsy village.

41. Then we enter Rogozha village. There we see the church on the left side.

42. Here is the church.

43. We are entering Ostashkov. There is the gasoline station on the left side.

44. There is Zalesye village before Ostashkov.

45. We are driving across the bridge. Smoked and dried fish is often sold on the left side.

46. There is the monument with Ostashkov inscription.

47. We are driving across the bridge. The sign of Lake Seliger.

48. We are entering the town of Ostashkov. Be careful as Road Patrol Service Post is here.

49. There is the Station of Express Services (car wash and cafe) on the left side.

50. Then we see a red brick pipe on the right side.

51. We are going straight, not turning anywhere. Then we see a roundabout.

52. Here is the roundabout. We need to turn **left**.

53. We turned left, then we are going straight to the bus terminal. We need to turn **right** after the sign Tourist Centers and Peno.

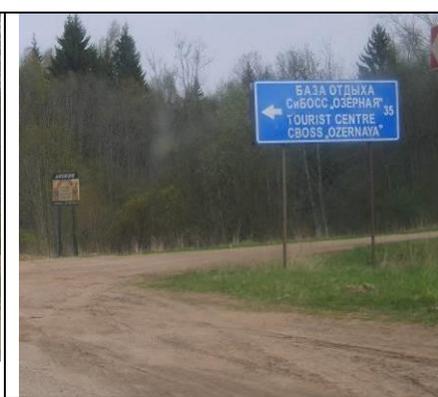

54. We are passing 500 meters and then we see a road junction. Near we can see the sign Peno, Tourist Centers, Town center and the billboard. According to the sign, we are turning left to the Tourist centers.

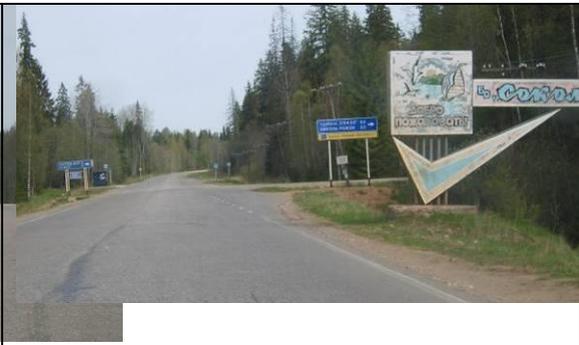

55. We turned left.

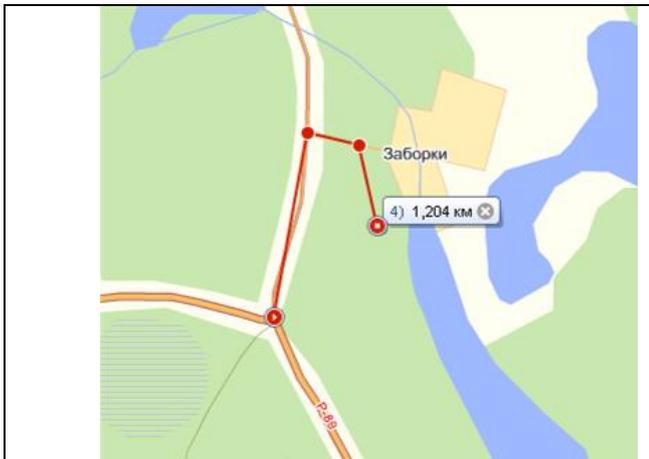

56. Then we are driving through the railway crossing. Be careful as the road surface here is poor.

		
57. We are going straight.	58. There is the gasoline station at the end of the town.	59. There is the tall plant building on the right side when leaving the town.

		
60. The last gasoline station. There are no more gasoline stations up to Knyazhoe.	61. The sign to Volgoverkhovye and Peno. We are going straight.	62. On the way to Novye Yeltsy village we meet the unusual construction – the pyramid. People say that the pyramid can “charge” with space energy.

		
63. We are moving on and see the sign Nikola Rozhok, Volgoverkhovye, Peno. We need to go straight.	64. We are passing the sign to Recreation Center SiBoss Ozerneya. We need to go straight.	65. The sign to Seliger Recreation House. We have to drive 22 km.

		
<p>66. The sign to Botovo.</p>	<p>67. We are passing by the sign to Sokol Tourist Center and then going straight.</p>	<p>68. Attention! After the huge billboard of the Seliger Recreation House we need to turn right to Novye Yeltsy village. We have to drive 1.2 km.</p>

	
<p>69. We are approaching to the turning to the Zaborka, then we need to turn right, then we follow the signs Stoyanka (Parking).</p>
